LAB#TTACH

Collagen Oral Bio Film

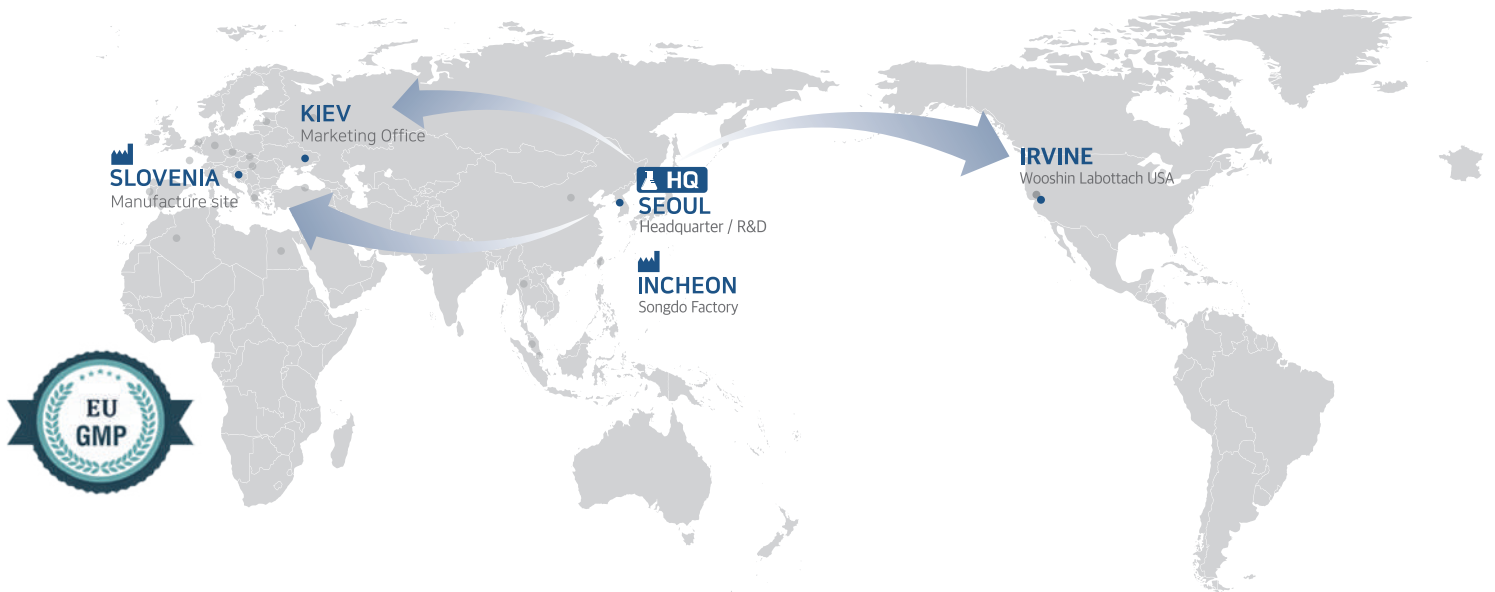

Good for Improving Elasticity of Skin

14 films 77mg *14

Double-Layer Film for maximising skin moisture & elasticity effects

Improving Elasticity of Skin in Short Time

The image shows a product box for "Collagen Oral Bio Film" by LAB#TTACH. The box is white with orange and grey text. It features two circular icons: one with a fish (FISH Collagen) and one with a film strip (Oral Film). Below the box, a woman's profile is shown with a circular inset of her mouth open, revealing the oral film. The background is a light purple with white dotted circles.
